## ***Want an insurance policy tailor-made for PTAs?***

**Think a PTA is insured by the school or local authority? Think again; as separate entities to the school, PTAs aren't covered by the vast majority of school policies, and the few policies which do extend to PTAs only provide very limited cover.**

With PTA Membership by Parentkind, you'll be provided with a bespoke insurance policy from Zurich Insurance Company Ltd. With this tailored policy, you'll be covered for events, trustee indemnity, theft, up to £10 million public liability, and more.

**This insurance package was voted the 2nd most important benefit by PTA Members in 2021.**
