

New school checklist

- Check the school calendar for important dates, including term dates, INSET days, bank holidays, and events like non-uniform days
- Label everything as you buy
- For older children buy a keyring with a stretchy chain to attach to your child's bag to avoid lost locker and door keys
- Establish a good sleep routine the week before school starts
- Work out your new routes to school and check out bus and trains times if using transport
- Join the school and/or class Facebook/WhatsApp group
- Plan a playdate or a meet up with classmates in the holidays to break the ice
