Subject: A thank you from Parentkind – Free 24/7 GP access for PTA volunteers

Dear *(Volunteer's Name)*,

We know that juggling parenting, volunteering and everyday life isn't easy — especially when illness strikes unexpectedly. That's why Parentkind is offering **24-hour GP access** to PTA volunteers, at no cost to you.

As part of our PTA membership with Parentkind, we're able to offer access to this service to up to 15 of our most regular PTA volunteers. We wanted to share this with you as our way of saying thank you for everything you do to support our school community.

What's the offer?

You, your partner and children (up to the age of 23) can access this free GP service — any time, day or night.

How do you get started?

To access the service, you'll need to register as a PTA volunteer on the Parentkind website:

1. Visit www.parentkind.org
2. Click **Login/Register** in the top right
3. Select **Create Website Account**
4. Enter our school's postcode
5. Select **PTA Membership** and enter our Parentkind Membership Number: *(Add your membership number here)*
6. Complete your personal details (use your personal email and phone number)

Once registered, head to **My Organisation** to download the **PTA Insurance Personal Accident Policy** and **Lifeline Plus** documents — these contain everything you need to access the GP service.

If you need help registering, call Parentkind's Community Support Team on **0300 123 5460**

We're excited to be able to share this with you — please register soon to make sure you have access when you need it most.

Thanks again for all of your support!
